Dear Umpire:

This year 331 umpires registered in Central Virginia. Due to the hard work and dedication of Commissioner Henry D. Pollard, the Deputy Commissioners, the Deputy Umpire-In-Chiefs and the Umpires we were able to have another successful year. With the increase in J. O. teams more games will be available.

As we continue to strive to be better umpires, we continue to study the rules and mechanics to become more professional in every aspect of the game, on and off the field. To continue to improve your knowledge and skills we invite you to attend the **20th Annual Eastern A.S.A. Clinic on Saturday, February 18th, 2012**. This clinic will be held at Mount Calvary Church in New Kent, Virginia. The clinician for this year's clinic is **A.S.A. National Umpire-In-Chief, Dave Epperson**. We have a wonderful program planned with great topics on rule changes and mechanics, guest speakers, entertainment and yes, the famous meal!

The hard work of the local umpires associations in Northern VA, Central VA and Eastern VA have provided many opportunities and added to the success of the team and umpire programs. In addition, we have had many umpire accomplishments. Many Umpires attended A.S.A. National Championships in VA, NC, PA, OK, OH and FL. We hope to increase our national championship involvement and continue to host exchange umpires from as far away as Canada.

Enclosed you will find the umpire registration information and form for the 20th Annual Eastern A.S.A. Umpire Clinic to be held on February 18th, 2012.

I am looking forward to a wonderful season for Central Virginia A.S.A. All of us can set goals that will make Central Virginia A.S.A. umpires the best in the region.

Yours in Softball,

Charles E. Moss, Sr.
