

## ASA 4<sup>th</sup> Annual WSL Miken Series

Dear Managers,

Hello softball fans. It's that time of year again! My name is Robert "Bobby" Collins, North Eastern District Commissioner for ASA. This is the fourth consecutive year for my Miken series which started in 2007. In 2007 we averaged 11 teams per leg and increased to 30 teams per leg in 2009! This year I am anticipating 40 teams per leg with your help.

The top six teams from the series will qualify for the WSL National Tournament in Cincinnati, OH; Houston, TX; Panama City, FL or Henderson, NV. This year the series will run on a point system and the winner of the series in each division will win:

- 1) **ASA or WSL State Berth**
- 2) **\$500 gift certificate to WSL sports shop**
- 3) **Travel Fund**
- 4) **2010 Worth Bat**

**\*WOW!!!!.....\$1,200 worth of prizes for winners in each division of the series!!!!**

**\*To be eligible for prizes, 8 teams must participate per division for each leg.**

Thank you so much for your time. With your support, the 2010 Miken series challenge will be a huge success!

Bobby Collins
